OF THE CITY OF

**NASHUA, N. H.**

FOR THE

**FINANCIAL YEAR**

**1932**

# Annual Message to the Board of Aldermen

by Mayor William F. Sullivan

---

Nashua, N. H., January 2, 1933.

Gentlemen of the Board of Aldermen:

The year 1933 begins with no better promise of an improvement in the times than a year ago. We are confronted with accumulating difficulties which must be overcome by courage and patience, and it is evident that the results of the depression will continue to be burdensome upon the people. During the past year there has been an ever increasing demand for assistance by those in need, until now the budget item for welfare work has grown to a point which should cause concern.

The well-known reasons for this situation are unemployment and the drying-up of the income from business and investment sources of many of our citizens.

A city, like an individual, finds itself in a position of reduced income brought about by the shrinking of values, but nevertheless certain governmental functions must be maintained and carried on, and among these are protection of life and property, maintenance of schools, safe streets and highways, sanitation, and the collection and distribution of taxes.

An old branch of municipal activity which has never been neglected is the charity department. This has recently expanded until now it is out of proportion to all previous demands, with no apparent way of avoiding the obligation of caring for the unfortunate worthy and providing subsistence for the improvident. No longer can the administrator of welfare funds tell the applicant "go get a job" for there are no jobs. Fortunate it is indeed that we have a community which, in a large measure, through private funds dispenses relief to the distressed and suffering.

Despite the fact that much money is being contributed and work performed by individuals and organizations, public funds must be provided in ever-increasing amounts to meet the exigencies of the times. The mandate to the community today is to take care of all who are worthy and in dire need. To meet this challenge money must be provided by the taxpayers. In disbursing relief funds, care must be used to prevent mild racketeering by habitual mendicants and those who are disposed to believe we are living in a socialist commonwealth. Sometimes abuses creep into the work when well intentioned persons are misled by the importunities of unworthy applicants.

Our taxpayers in many cases are unable to meet their tax indebtedness because of unemployment or lack of revenue. In this paradoxical situation property owners find themselves assisting others with the necessities of life while they themselves need aid. Further, they are not only often faced with a tax bill to pay but also are confronted with problems of meeting pressing financial obligations or sacrificing their equities.

Other classes of taxpayers who feel the pinch of frozen credits are the merchants, dealers and the small tenement house owners who when industrial payrolls are lean continue to furnish credit to old customers and tenants out of employment. This contribution for relief in the aggregate is large and is done with a trust in the integrity of many families to pay. The confidence of the merchants is reflected often in their own inability to obtain sufficient credits from the wholesaler and producer and in turn the wholesaler finds himself enmeshed in a narrowing merchandising system where both caution and fear prevail.

Taxpayers in general are clamoring for a reduction in taxes and at the same time demanding undiminished public service. There is one sure thing; government must be conducted on a decent standard and this leaves the kind of service and tax rate squarely up to the Mayor and Board of Aldermen.

The paramount question is: What will be the valuation of the city this year? Upon this largely depends the income for the year.

### REVENUES

The high spot of this city's valuation was in 1926 when it reached \$46,178,799.00 and in 1932 it had shrunk to \$39,059,244.00 a decrease in valuation from 1926 of \$7,119,555.00. This means that the loss of income from taxes for last year, based on the 1926 valuation was \$212,162.74.

Other revenues have also shown a falling off of almost \$19,000.00 while State and County expenditures have increased. There has been some offset in the tax rate to these losses by the steady decrease in the city's bonded indebtedness. This has been brought about by refraining from the issuance of new bonds for capital expenditures. This policy during the past few years has been the direct reason for a nearly stable tax rate and should be continued until the city's income increases sufficiently to carry on the costs of operation and at the same time provide for a drop in the tax rate.

### EXEMPTIONS

This year there will expire exemptions on industrial properties amounting to over one million dollars. It is estimated that the taxes from these properties will yield the city a revenue of approximately \$25,000.00. It is to be hoped that there will not be any radical changes in valuations under last year.

## ANTICIPATION NOTES

Early in 1932 cities and towns in New England were embarrassed by their inability to borrow money in anticipation of taxes. This method of financing cities and towns has come down from the founders. Valuations are established in April and taxes collectible on December 1st of each year. This city is obliged to borrow money to carry on its business for eleven months. Bankers and brokers who formerly loaned money on anticipation notes were either unable to sell these notes or unwilling to buy them and the city, for a short time, was faced with a serious financial problem. Fortunately our local bank of deposit aided us by taking the first \$150,000 anticipation notes and helped materially in obtaining other loans until the stringency in the money market was over.

## PREPAYMENT OF TAXES

In March the Board of Aldermen passed a resolution authorizing the City Treasurer to pay a discount for advance payments of taxes at the rate of 6 per cent per annum. Many public spirited citizens availed themselves of this opportunity and paid about \$300,000 into the City Treasury before December 1st. This reduced the amount otherwise necessary to borrow during the year in the open markets.

On December 15, 1931 there were uncollected taxes to the amount of \$327,688.64, and on the same date in 1932 the amount was \$350,137.63. The interest paid on temporary loans in anticipation of taxes in 1931 was \$13,285.40 and in 1932 plus discount allowed on prepayment of taxes the charge was \$35,105.23 or an increase of 164 per cent. It is to be hoped that the 1933 borrowing conditions will not be as acute as they have been in 1932.

## MORTGAGING THE FUTURE

Let us see where the practice of bonding the future has led us. It takes 22 cents of the taxpayers dollar to pay for interest and maturing debt. A portion of this indebtedness is for expenditures reaching back almost forty years. Some of the structures for which the debt was contracted are worn out and have become obsolete. This practice of contracting debts and letting posterity pay should no longer be favored.

In the light of governmental squanderings the question may well be asked:—"How can the succeeding generations pay if the nation, state, and city continue issuing bonds for work that either should never have been undertaken or else deferred?" The answer "they can't" may appear ultra conservative but there is a tinge of reason in it. It suggests at least caution and prudence in the mortgaging of the future for some popular delusion.

## STATEMENT

Gross debt, January 1, 1932 .....	\$1,836,900.00
Gross debt, January 1, 1933 .....	1,663,000.00
Decrease .....	\$ 173,000.00
Loans issued 1932 .....	None
Serial loans paid .....	133,000.00
Sinking fund appropriations 1932 .....	\$ 22,000.00
Sinking fund earnings 1932 .....	11,034.17
Total .....	\$ 33,034.17
Sinking fund, January 1, 1933 .....	\$ 294,111.90
Net debt, January 1, 1933 .....	1,368,888.10
Gross debt .....	\$1,663,000.00

## STATEMENT OF DEBT

Fire Department loans .....	\$ 91,000.00
Public Comfort loans .....	6,000.00
Sewer loans .....	130,000.00
Public Improvements loans .....	95,000.00
Highway loans and bridges .....	545,500.00
School loans .....	484,500.00
Refunding loans .....	265,000.00
Machine Shop and Garage loans .....	30,000.00
Veterans' Building loans .....	16,000.00
	\$1,663,000.00
Net debt, January 1, 1932 .....	\$1,520,724.79
Net debt, January 1, 1933 .....	1,368,888.10
Reduction .....	\$ 151,836.60
Decrease in gross debt .....	\$ 173,000.00
Decrease in net debt .....	151,836.60
Valuation April 1, 1932 (including exempted property) .....	39,059,244.00
Six per cent of valuation .....	2,343,554.64
Net bonded debt, January 1, 1933 .....	1,368,888.10
Borrowing capacity, January 1, 1933 .....	\$ 974,666.50

Borrowing capacity, January 1, 1932 .....	1,012,288.46
Decrease in borrowing power under last year .....	\$ 37,621.92

The decrease in our legal borrowing capacity will continue as long as our valuation decrease is greater in proportion than the debt reduction.

#### EXPIRATION OF BONDED INDEBTEDNESS

In comparison with many cities the picture of our bonded indebtedness is not dark,—it is truly bright and will continue so unless new bond issues cloud the municipal horizon. Let us look at the details and expirations of our bonded indebtedness.

The Gross Bonded Debt of the City, on December 31, 1932 was \$1,663,000.00. The Cash and Securities in the Sinking Fund amounted to approximately \$284,350.00 leaving the net Bonded Debt about \$1,378,650.00.

Of the Gross Bonded Debt \$398,000.00 is of Bonds for which a Sinking Fund has been provided and to which Fund a yearly contribution is now made of \$22,000.00 by the City. This amount appears in the annual appropriations. These Bonds will be paid from the Sinking Fund as they mature and will all be paid by Jan. 1, 1937 as follows:

Year	Amount to be paid	Balance at end of yr.
1932 .....	\$40,000.00 .....	\$398,000.00
1933 .....	50,000.00 .....	348,000.00
1934 .....	65,500.00 .....	282,500.00
1935 .....	260,000.00 .....	22,500.00
1936 .....	18,000.00 .....	4,500.00
1937-1-1 .....	4,500.00 .....	none

The remainder of the Bonded Debt is made up of Serial Bonds, a certain number of Bonds in each issue coming due annually until all are paid. These amount to \$1,265,000.00. During the year 1932 Bonds to the amount of \$133,000.00 were matured and paid. If this amount were to be paid annually, and no more bonds issued, the entire amount of bonds outstanding could be paid off in 1942. However, the maturity of these bonds is determined when issued and payment cannot be anticipated. There will be a gradual decrease in the amount of bonds paid each year as shown in the following table, the last bond of those now outstanding being paid in 1951.

Year	Amount to be paid	Balance outstanding at end of year
1932 .....	\$133,000.00 .....	\$1,265,000.00
1933 .....	131,000.00 .....	1,134,000.00
1934 .....	130,000.00 .....	1,004,000.00
1935 .....	127,000.00 .....	877,000.00

1936 .....	124,000.00 .....	753,000.00
1937 .....	120,000.00 .....	633,000.00
1938 .....	110,000.00 .....	523,000.00
1939 .....	81,000.00 .....	442,000.00
1940 .....	71,000.00 .....	371,000.00
1941 .....	70,000.00 .....	301,000.00
1942 .....	69,000.00 .....	232,000.00
1943 .....	69,000.00 .....	163,000.00
1944 .....	56,000.00 .....	107,000.00
1945 .....	41,000.00 .....	66,000.00
1946 .....	21,000.00 .....	45,000.00
1947 .....	16,000.00 .....	29,000.00
1948 .....	14,000.00 .....	15,000.00
1949 .....	5,000.00 .....	10,000.00
1950 .....	5,000.00 .....	5,000.00
1951 .....	5,000.00 .....	none

It will be seen that in 1939 with the Sinking Fund Bonds all paid and several of the Serial Bond Issues matured the amount to be paid on indebtedness from the annual appropriation will be approximately one half the amount paid in 1932.

1932 Appropriation for Maturing Debt .....	\$133,000.00
1932 Contribution to Sinking Fund .....	22,000.00
	<hr/>
	\$155,000.00

The 1939 Appropriation for the Maturing debt will be 81,000.00

With such a large part of our revenue going for the payment of interest and debts I believe we should adopt a more "pay as you go" plan. In doing this the savings eventually can be applied for permanent improvements without forever having an exorbitant tax rate brought about by long time borrowing for enterprises which should await until valuations and income increase.

### SCHOOLS

Public School attendance for 1932 was 4,696 in comparison to 4,528 for 1931. The enrollment in the Senior High School was 1467 or an increase of 237 over the preceding year, and of this number 32 were post-graduates. The Junior High School has 696 pupils, a decrease of 13. The grades and kindergartens registered 2533, which is a decrease registration of 48 pupils from the 1931 figures. These statistics show that there is a pronounced tendency in pupils to remain longer in school in order to complete a High School course and therefore there is a corresponding increase in registration in the Senior High School, while the enrollment of the grades remains approximately the same. This fact has been true over a period of years and can be depended upon.

on to remain the same for the next few years unless increased business activities in our city should serve as a stimulus for new families to come to Nashua.

In line with the policy of economy some consolidations have been effected:--The Broad St. Kindergarten has been eliminated. The Gilbo School and the Silver Spring School have been closed.

The School Department was granted for the year 1932 an appropriation of \$329,400.00 plus income, in comparison to an appropriation of \$372,000.00 plus an income of \$16,855.83, making a total of \$388,855.83 for 1931. This reduction represented not only a reduction in salaries for school employees but also a reduction in the other items of the budget. It is gratifying to be able to state that the School Department has not only remained within its budget, but is refunding to the city an unexpended balance of \$5,058.28. The principal savings have been effected in expenses pertaining to maintenance and repairs, supplies, teachers' salaries, maintenance of domestic arts and manual arts departments. However, this does not mean that the care and repair of school houses has been neglected, but rather that under present conditions a large amount of work was accomplished at a low cost. To corroborate this statement, some of the major repairs are as follows:

Completion and equipment of the new Chemical Laboratory at the High School;

The establishment and equipment of the new Dental Clinic at the Community Council;

New fence at the Lake St. School;

Extension of the fence at the Crowley School;

Interior painting of the Mt. Pleasant School;

Exterior painting of the High School;

New lighting system at the Quincy St. School;

Repairing of roofs at the Quincy St. School, Amherst St. School and Palm Street School.

The per pupil cost of education in the entire city of Nashua for 1930 and 1931 was \$83.36. The per pupil cost for education for 1931 and 1932 was \$72.28 a reduction of \$11.08 per pupil. In 1930 and 1931 the per pupil cost of High School Instruction in Nashua was \$97.25. The average cost for the State was \$98.93. However, in 1931-32 the per pupil cost of High School instruction in Nashua was \$86.95. The average cost for the State was \$89.79. In other words in 1931-32 there was a reduction in the cost to High School instruction in our city of \$10.30 per pupil. While the cost of Nashua in 1931-32 per pupil was \$86.95, the cost in Concord was \$100.72 and in Manchester \$96.50.

It is pleasing to note that notwithstanding curtailments the standards of our schools have been maintained and the teachers have been, if possible, even more conscientious and painstaking in their work than in normal times.

It was a splendid exhibition of cooperation on the part of the teachers when early in 1932 they waived their legal contracts so as to be in step with all other officials and employees of the city who gracefully accepted the ten per cent cut in wages and salaries.

### BOARD OF PUBLIC WORKS

The abandonment of the tracks of the Nashua Street Railway has thrown upon the city a responsibility and an expenditure which must be assumed. A claim for a portion of the assets of the company has been filed by the city. If the city got all the assets of the company it would reimburse only in part what the final costs will be of repaving and replacing the streets formerly used by the street railway during the past years.

The car tracks were removed or covered over on the following streets:-

Main Street from Otterson Street to Amherst St. which required 23752 square yards of asphalt mixture at a cost of \$13,138.66.

Kinsley St. from Main St. to West St. which required 18413 square yards of asphalt mixture at a cost of \$12,497.33. The figures are an indication of what it will eventually cost the city to finally eliminate the car tracks from the city streets.

Out of the unemployment situation a fortunate happening occurred. The Governor and Council found that they could loan to the cities and towns of the state \$1,000,000.00 for work and construction on state aid roads. \$23,746.50 of this sum was allotted to Nashua and the Mayor and City Treasurer signed, with the approval of the Board of Aldermen, a note, without interest. The plan of the Governor is to cancel these loans with the consent of the incoming legislature. From this fund several rural highways were straightened, widened, regraded, and drained and sections of road treated with tar which will, as time goes on, relieve the city of the cost of such work. Hereafter the State assumes the full cost of maintenance and snow removal of all trunk and state aid road.

### SIDEWALKS

There were 1380 square yards of 5 ft. wide cement concrete sidewalk laid during the last year. This equals 0.47 miles.

### SEWER CONNECTIONS

There were twenty-seven sewer connections made to city drains in 1932.

### CATCH BASINS AND MANHOLES

Twenty-nine catch basins and twenty-one manholes were built in 1932.

## NEW CONSTRUCTION

In 1933 with a dwindling income and an increased outgo for welfare work the city cannot afford any new construction projects, but much necessary oiling and tarring of existing highways and streets must be done in order to preserve the existing hard top surfaces from disintegration.

## DANIEL WEBSTER HIGHWAY

There is one job of major importance which confronts the state and that is improvements to the Daniel Webster Highway from Lawndale, so called, to the Massachusetts line. Whether it will be reconstruction of the existing highway or the acquisition of an additional high speed "Scenic Boulevard" or both, rests in a large measure with the State Highway Department.

## SEWERS

With practically no new building construction, the past year, within reasonable distance of existing sewers, extensions were few and of small diameters.

Application was made for funds from the Reconstruction Finance Corporation to build sewers. This request could not be granted because the payment for sewer construction in Nashua is from the tax levy and not from self liquidating sources. It is to be regretted that Nashua has no betterment laws so that special improvements and privileges may be assessed on those who benefit particularly by them. This is the law in States where great public improvements are carried on.

Nashua needs main sewers, trunk sewers and intercepting sewers and also a general overhauling of its sewerage system. The plans as developed if carried out would cost large sums of money. With economic conditions as they are it would be an outlet for unemployment relief to build sewers now, but it would be unwise to borrow money to do so other than through the Reconstruction Finance Corporation with the chances of the loan being cancelled finally. I believe that when the city is relieved of the demands of the depression, a program of sewer construction should be undertaken. A long term plan should be adopted whereby from \$25,000.00 up should be spent annually from current income for major sewer projects. This would be "pay as you go" and be free from the blasting after effects of interest and maturities.

## ZONING BOARD OF ADJUSTMENT

This Board has faithfully attended to its duty and rendered impartial decisions on matters of serious import to applicants and remonstrants.

	1932	1931
Number of public hearings and viewing.....	23	24
Number of cases before the Board.....	41	65

Petitions granted and relief given.....	28	.....	47
Petitions granted for one year.....	7	.....	7
Petitions denied.....	3	.....	1
Petitions withdrawn.....	2	.....	1
Cases continued.....	1	.....	3

## ADMINISTRATIVE OFFICES

	1932	1931
Number of building permits issued.....	290	304
Number of confirming certificates issued.....	211	331
Number of non-confirming certificates issued .....	23	96

## PLUMBING COMMISSION

	1932	1931
Number of Master Plumbers licenses issued.....	48	53
Number of Journeymen Plumbers licenses issued .....	62	67

## PLUMBING INSPECTOR

	1932	1931
Number of inspections made.....	452	459
Number of buildings in which inspections were made ..	245	272

## CITY HALL

City Hall was so dilapidated in appearance and the offices, where the public business is conducted, so dingy for the need of paint that it was deemed only decent to make repairs and repaint the first floor offices and rooms. The old Aldermen's Chamber was altered to provide offices for the Overseer of the Poor and the Unemployment Relief Committee.

## FIRE DEPARTMENT

The Fire Department during the past year has been a busy one, not only in protecting the life and property of our citizens, but in the amount of upkeep and repair work it has performed on the stations and apparatus. Every piece of apparatus needing attention has been overhauled and repainted which makes for better efficiency and appearance. The rooms and quarters for the men have been freshly painted and the entire set of buildings are clean and fit to live in. Inspection will show interest and good housekeeping on the part of the officers and men.

A large amount of work has been done on the fire alarm system and today the test records show that this system is as dependable as any in the country.

The plumbing and heating apparatus in the stations have been given a thorough overhauling. This rehabilitation work has been done almost entirely by the permanent men and has saved the taxpayers a large sum.

The fire losses for the year have been kept down to a minimum. In 1931 the losses were about \$238,000. And this year under \$60,000 or a reduction in losses under last year of about 75 per cent. This excellent showing is not alone attributable to the extinguishment of fires but is brought about by active fire prevention methods supervised by the Chief. Regular inspections and follow-ups have been the rule and the familiarizing of the personnel of the department with fire hazards. Another factor has been the seeking out of causes of fires and the investigation of suspicious fires. The State of New Hampshire should have a Fire Marshal empowered to investigate and prosecute incendiaries.

#### POLICE DEPARTMENT

Our city continues to bear a good reputation for law and order. The police department has shown determination to control crime and maintain traffic regulations with a minimum of friction to residents and visitors alike.

This department has made a request for a change in traffic lights at one location and will ask for an appropriation for a garage in the basement of the police station.

#### BOARD OF HEALTH

The 1932 Board of Health organized with Dr. Carroll R. Murch as Chairman. Through his untimely death the Board lost an efficient chairman. Dr. Deering G. Smith was elected his successor and he has given much time and thought to the conduct of this branch of municipal activity. Continuing the practice of the preceding year all handlers of milk were subjected to a physical examination. Milk producing establishments are now more closely supervised and in several instances marked improvements in methods and equipment have resulted.

During the past year over 850 children in the city schools have been vaccinated.

Several individuals have offered to collect the city garbage under a contract and the Board has their propositions under consideration. Attention is also being given to this matter as to whether there would be any saving if the garbage was collected by the Board of Public Works.

During the year there has been no serious epidemic of contagious diseases.

This department has practised economies while on a peace time basis. To my mind Boards of Health should be a skeletonized organization ready to meet an emergency when it comes. On these occasions money can be

found, at other times rigid economy should be the watchword. It is a pleasure to note that this Board will turn back to the treasury over \$1000.

### NASHUA PUBLIC LIBRARY

The Nashua Public Library at all times has been a treasure house for those who seek knowledge and enjoy reading. The past year it has been a source of comfort for many temporarily out of employment and in a number of instances these people have accepted its privileges for self-improvement in preparation for the time when there will be a resumption of normal business.

The circulation figures show the largest increase in the adult department at the main library with a gain over the previous year of 20,000 volumes.

#### COMPARISON

Adult circulation at the main library to Dec. 1, 1932 .....	131,756
Adult circulation at the main library to Dec. 1, 1931 .....	109,566
Juvenile circulation at main library to Dec. 1, 1932 .....	48,272
Juvenile circulation at main library to Dec. 1, 1931 .....	48,368
Crown Hill circulation to Dec. 1, 1932 .....	16,845
Crown Hill circulation to Dec. 1, 1931 .....	16,205
Foreign circulation at main library to Dec. 1, 1932 .....	5,125
Foreign circulation at main library to Dec. 1, 1931 .....	4,203
Largest day in adult department to Dec. 1, 1932 .....	957
Largest day in adult department to Dec. 1, 1931 .....	853
Largest day in Juvenile department to Dec. 1, 1932 .....	423
Largest day in Juvenile department to Dec. 1, 1931 .....	473

Congestion at the library required the acquisition of a room 12ft. x 15ft which had been reserved by the city in the lease of the garage on Clinton Street. This room will be used for the storage of books and records little used but too valuable to destroy.

The library will show a small balance on hand January 1, 1933

### PARK DEPARTMENT

The commons, parks and open spaces in the city, under the supervision of the Park Department have shown steady improvement. Maintenance work has been about all that could be done this year. Out of its appropriation the commission managed to make some permanent improvements at Greeley Park.

### RECREATION COMMISSION

With fifty per cent less appropriation than the previous year the Recreation Commission provided nearly the same recreation facilities. The

playground period was cut 25 per cent with a normal attendance of 80 per cent and the cost was 40 per cent less than formerly. The swimming pool was as popular as ever and here expenses were cut but this gain was offset by loss in revenue from bathing suits and towels.

On account of weather conditions the skating season was short while the tennis season lasted from early spring until late fall.

### OVERSEER OF THE POOR

Never before in the history of the city has this office been called upon to render a greater service. All previous records have been broken as to the number of calls and the duration of aid required.

### RECONSTRUCTION FINANCE CORPORATION ASSISTANCE

Governor Winant obtained from the Reconstruction Finance Corporation a sum exceeding \$600,000. for Unemployment Relief. Nashua made an application for a portion of this fund. His Excellency gave our representatives a hearing at which time we presented in detail our situation as to employment relief measures and the needs of the community. At the conclusion of the meeting the Governor allotted to Nashua, \$30,000. This allowance has done much in relieving distress thus far this winter.

### PENSIONS

Civil pensions have been a moot question for a long time. This Board has discussed it, the taxpayers have argued it, and now it is before this Board for the purpose of establishing further requirements from applicants who have not suffered injury within the scope of his or her employment. Pensions paid out the past year to former employees amount to \$9528.70.

In September 1931 the Old Age Assistance or Pension Bill enacted by the last legislature went into effect. This law is administered by the County Commissioners and the pension costs charged to the cities and towns in which the pensioner resides. For the year 1932 the cost to the city of Nashua will be \$17,000.00.

### CONCLUSION

Last year your Board, in order to meet the demands of the taxpayers and keep the tax rate nearly level, succeeded in cutting the budgets of all operating departments at least 10 per cent.

This could not have been done without reducing wages and salaries. The employees as a whole accepted the cut with spirit and understanding, realizing that it was inevitable to do so to meet the changing conditions and the large increase in welfare expenses. In doing this we avoided, as far as

possible, changes in the number and personnel of the departments, rather we were desirous to continue as much employment as possible. There seems to be some misunderstanding in the minds of some executives that the amount of work performed should be less. This is not so, as the number of employees are the same and the hours of work the same.

It may appear that great emphasis is laid upon the times, the depression, and aid for the needy. It is a fact that Nashua is no worse off than the average city and we sincerely believe, in some respects, much better. We must not however blind ourselves to a realization that Governmental expenditures are going through an evolution and we must face stern reality. All classes of the public are paying in many ways the price of the depression. Economy and thrift is being practised by almost all individuals and organizations and the same should be true of municipalities. We, as servants of the people, are called upon to be economical and keep taxes down to the lowest minimum commensurate with reasonable service and good government. It is the duty of everyone administering the city's business or on the city's payroll to contribute and sacrifice so that those who pay the bills will be able to continue to do so. It is no longer "what do departments want or what does this or that portion of the public desire," it is "what can a city afford".

With the storm of uncertainty lashing New England and the Nation our people have shown themselves marvellously generous and charitably minded, so with fortitude and faith we await the coming of better times, of which I am sure we are all confident.

WILLIAM F. SULLIVAN,

Mayor.

City Government of  
The City of Nashua, New Hampshire  
For the Years 1932-1933

---

## RESOLUTION

ADOPTING RULES AND FIXING THE TIME FOR HOLDING

REGULAR MEETINGS

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and  
Thirty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua:

That the rules of the Board of Aldermen for 1931 be and the same are hereby adopted for 1932, and that the time for holding regular meetings be on the second and fourth Tuesday of each month at (8) eight o'clock in the afternoon.

Passed January 1, 1932.

Approved January 2, 1932.

Attest:

ARTHUR L. CYR,  
City Clerk.

## RESOLUTION

AUTHORIZING THE FINANCE COMMITTEE TO BORROW MONEY  
IN ANTICIPATION OF TAXES

## CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and  
Thirty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua:

That the Finance Committee be and they hereby are authorized and directed to borrow, from time to time during the current municipal year, beginning January 1, 1932 a sum or sums not exceeding One Million (1,000,000.00) Dollars for the purpose of meeting the current expenses of the City, and the Mayor and Treasurer are hereby authorized to execute and issue a negotiable note or notes of the City of Nashua therefor.

Every such note shall become due and payable within one (1) year from the date of the loan for which it is issued is incurred, but no such note shall be payable on demand, or shall be valid unless authenticated by the certificate of the First National Bank of Boston.

All debts incurred under authority of this vote shall be paid from the taxes of said current municipal year.

Passed January 1, 1932.

Approved January 2, 1932.

Attest:

ARTHUR L. CYR,  
City Clerk.

## RESOLUTION

RELATIVE TO THE PRE-PAYMENT OF TAXES  
FOR THE YEAR 1932

## CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and  
Thirty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua:

That the Tax Collector of the City of Nashua, in accordance with and by authority of Chapter 66, Section 43, of the Public Laws of New Hampshire, be and hereby is empowered to allow a discount on 1933 taxes for pre-payment of said taxes, such discount to be at the rate of four per centum per annum from date of payment to December 1, 1933, but no discount shall be allowed for pre-payment after November 1, 1933.

Pre-payments may be made before, as well as after, the assessment of taxes for the year of 1933, discounts to apply on partial or total pre-payments.

In the event the amount pre-paid by a taxpayer exceeds the 1933 assessment when made, said taxpayer shall receive a rebate of the amount overpaid on said tax.

Further, in the event that the tax assessment for 1933 is more in amount than the pre-payment made, said taxpayer shall be charged the additional amount due.

Passed January 26, 1932.

Approved January 27, 1932.

Attest:

ARTHUR L. CYR,  
City Clerk.

---

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and  
Thirty-Two

AN ORDINANCE  
RELATING TO FIRE PROOF ROOF COVERING OF ROOFS IN THE  
CITY OF NASHUA

BE IT ORDAINED, By the Board of Aldermen of the City of Nashua:

Section 1. Every roof hereafter placed on a building within the fire  
limits of the City of Nashua, as defined in Chapter 21, Section 13, of the  
City Ordinances, shall be covered with an approved roofing of brick, concrete,  
tile, slate, metal, asbestos or built up roofing finished with asphalt, slag or  
gravel or with other approved material.

a. Roofings which are classified as Class A or B under the test

specifications of Underwriters' Laboratories, Inc., shall be accepted as meeting the requirements of this section.

b. Every roof hereafter placed on a building outside the fire limits, as defined in Chapter 21, Section 13, of the City Ordinances, shall be covered with roofing materials which are classified as Class C under test specifications of Underwriters' laboratories, Inc.

Section 2. No roofing on an existing roof shall be renewed or repaired to a greater extent than twenty-five (25) per cent of the roof surface, except in conformity with the requirements of this ordinance.

Section 3. The placing of new roofing conforming with this ordinance over existing combustible roofing shall not be prohibited; provided the existing roofing is removed for a distance of four (4) inches along all edges of the roof and replaced by strips of fire-resisting material, over which the new roofing shall extend, or covered with a metal strip for a distance of four (4) inches from the edge of roof with a lap protecting all edges.

Section 4. Any person or persons violating the provisions of this ordinance shall be punished by a fine not exceeding Ten (10) Dollars and shall incur a penalty of Ten (10) Dollars for each day he or they shall maintain any building with a roof covering contrary to the provisions of this ordinance

Section 5. The ordinance relating to fire proof roof covering of roofs in the City of Nashua, passed May 13, 1930, and approved May 14, 1930 by the Mayor and Board of Aldermen of the City of Nashua, is hereby repealed, and this ordinance shall take effect upon its passage.

Passed January 26, 1932.

Approved January 27, 1932.

Attest:

ARTHUR L. CYR,  
City Clerk.

#### RESOLUTION

#### REDUCING SALARIES AND WAGES OF ALL CITY OFFICIALS AND EMPLOYEES

#### CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred  
and Thirty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua:

That each and every official and employee of the City of Nashua, in

whatever capacity and on whatever basis of payment engaged or employed, be and hereby is reduced ten (10) per cent in wage or salary; this resolution for the reduction of wages or salary to take effect on the date of its passage and to continue until such time as modified or amended.

Be it further resolved that due to the exigencies of our City finances and the present general economic conditions, this resolution for the reduction of ten (10) per cent of wages or salary shall take effect as of February 1, 1932, to this date.

Passed February 9, 1932.

Approved February 9, 1932.

Attest:

ARTHUR L. CYR,  
City Clerk.

---

#### RESOLUTION

AUTHORIZING THE MAYOR TO ENTER INTO AN AGREEMENT  
WITH THE CONNECTICUT RIVER POWER COMPANY  
OF NEW HAMPSHIRE  
CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred  
and Thirty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua:

That, Whereas, the Connecticut River Power Company of New Hampshire was granted a permit on November 22, 1918, to construct, maintain and operate lines for the purpose of transmitting high and low tension electricity, and for telephone use across certain public ways in the City of Nashua, as in said grant of location and license more particularly described under the express condition, and subject to the filing and continuance of a bond of a surety company authorized by the Insurance Commissioner to transact business in New Hampshire, in the amount of five thousand dollars (\$5,000), payable to said City of Nashua, to indemnify said City of Nashua against all damages, costs and expenses to which it may be subjected by reason of any defect or insufficiency in the highways mentioned in said grant and license occasioned by the presence of its wires and their supports; and

Whereas, the Connecticut River Power Company of New Hampshire has since the granting of said location and license acquired a substantial amount of real estate in the City of Nashua, paying taxes on approximately

fifty thousand dollars (\$50,000) worth of real and personal property, and in addition now carries and will continue to carry public liability insurance up to twenty-five thousand dollars (\$25,000) for one person killed or injured, and one hundred thousand dollars (\$100,000) for two or more persons killed or injured in one accident; and

Whereas, in lieu of the surety company bond in the amount of five thousand dollars (\$5,000) aforesaid mentioned, the said Connecticut River Power Company of New Hampshire agrees to bind itself over its own seal and by a duly authorized officer to indemnify said City of Nashua against all damages, costs and expenses to which it may be subjected by reason of any defect or insufficiency in the highways mentioned in said permit of November 22, 1918, occasioned by the presence as aforesaid of said wires and their supports, which agreement shall be filed in the office of the City Clerk of the said City of Nashua;

Now, Therefore, His Honor Mayor Sullivan be and hereby is authorized and instructed to execute an agreement for and in behalf of the said City of Nashua with the said Connecticut River Power Company of New Hampshire to indemnify the said City of Nashua against all damages, costs and expenses to which it may be subjected by reason of any defect or insufficiency in the highways mentioned in said aforesaid permit granted by a Special Committee and Agent of the Board of Aldermen of said City of Nashua on November 22, 1918; and upon the execution of said above described agreement by said Connecticut River Power Company of New Hampshire and said City of Nashua by their duly authorized officers, and the filing of said agreement in the office of the City Clerk of said City of Nashua, said Connecticut River Power Company is hereby relieved of the requirement to continue said bond in the amount of five thousand dollars (\$5,000), and the express condition of said location and license granted in November 22, 1918, insofar as requires the filing and continuance of said bond, be waived.

Passed February 9, 1932.

Approved February 9, 1932.

Attest:

ARTHUR L. CYR,  
City Clerk.

RESOLUTION

AMENDING RESOLUTION PASSES JANUARY 1, 1932, AUTHORIZING  
THE FINANCE COMMITTEE TO BORROW MONEY IN  
ANTICIPATION OF TAXES

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred  
and Thirty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua:

That the resolution authorizing the Finance Committee to borrow money in anticipation of taxes passed in Board of Aldermen January 1, 1932 and approved by His Honor the Mayor January 2, 1932 be amended to read as follows, to wit: That the Finance Committee be and they hereby are authorized and directed to borrow from time to time during the current municipal year beginning January 1, 1932 a sum or sums not exceeding one million (1,000,000) dollars for the purpose of meeting the current expenses of the city and the Mayor and Treasurer are hereby authorized to execute and issue the negotiable note or notes of the City of Nashua therefor. Every such note shall become due and payable within one (1) year from the date of the loan for which it is issued is incurred; provided, however, that said Finance Committee be and they hereby are authorized to refund by the issue of new notes any of the notes issued as aforesaid such new notes to be executed in like manner and be payable within one (1) year after the date of incurrence of the original loan or loans which they are to refund. Such original notes and notes in renewal thereof shall not be payable on demand and shall not be valid unless authenticated by the certificate of The First National Bank of Boston, Massachusetts.

All debts incurred under authority of this vote shall be paid from the taxes of said current municipal year.

RESOLVED FURTHER, that said resolution passed January 1, 1932 in all respects not inconsistent herewith and all acts done or performed under authority thereof be and the same are hereby ratified, confirmed and approved  
Passed March 8, 1932

Approved March 8, 1932,

Attest:

ARTHUR L. CYR,  
City Clerk.

PARADES, AMUSEMENTS, ETC.

BE IT ORDAINED, By the Board of Aldermen of the City of Nashua.

That Section 3 of Chapter 24 of the Ordinances of the City of Nashua be amended by striking out the words "one hundred" before the word "dollars" and inserting in place thereof the words "two hundred," so that Section 3 as amended shall read as follows:

3.—, THEATRES, ETC. Theatres or places of amusement of a permanent character may be licensed for a period of twelve months from the first day of May of each year. The sum of such yearly license shall be two hundred dollars (\$200), payable in advance. This license shall designate the location of said theatre or place of amusement, be made in the name of the proprietor or proprietors thereof, and shall not be transferable.

Passed April 26, 1932.

Approved April 27, 1932,

Attest:

ARTHUR L. CYR,  
City Clerk.

### RESOLUTION

AUTHORIZING THE MAYOR TO EXECUTE DEEDS FOR AND  
IN BEHALF OF THE CITY OF NASHUA FOR THE  
TRANSFER OF CERTAIN PARCELS OF LAND  
CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred  
and Thirty-two

RESOLVED, By the Board of Aldermen of the City of Nashua:

That His Honor, Mayor Sullivan, be and hereby is authorized and empowered to execute a quit claim deed for and in behalf of the City of Nashua with the St. George Commandery Knight Templar, a fraternal society, of said Nashua, of a certain parcel of land bounded and described as follows:

A certain tract or parcel of land situate on the northerly side of Lewis Street, in said Nashua, bounded and described as follows: Beginning at a point in the northerly line of Lewis Street, as laid out by said City of Nashua, September 9, 1924, at the intersection of the northerly line of what was formerly known as Avenue "B"; thence northeasterly by said northerly line of Avenue "B" a distance of about forty-one (41) feet to land now or formerly of Gaudette; thence southeasterly by said Gaudette land a distance of about thirty (30) feet to the southerly line of Avenue ("B") thence scuthwesterly by said southerly line of Avenue "B" a distance of about six (6) feet to a point in said northerly line of Lewis Street; thence

westerly by said northerly line of Lewis Street a distance of about forty-four (44) feet to the place of beginning. Meaning and intending to describe and convey any and all title and interest which the said City of Nashua may have in the above described premises, same having been known as Avenue "B".

That His Honor, Mayor Sullivan, be and hereby is authorized and empowered to execute a warrantee deed for and in behalf of the City of Nashua with Hollis A. Allard, of said Nashua, of the following described parcel of land:

A certain tract or parcel of land situate on the westerly side of Lake Avenue Extension in the City of Nashua, bounded and described as follows: Beginning at a bound at the southeast corner of the premises, said bound being in the westerly line of Lake Avenue at land now or formerly of Ellen Haggerty;; thence northerly by said westerly line of Lake Avenue Extension a distance of sixty-two and sixty hundredths (62.60) feet to a stone bound at other land of the City of Nashua; thence westerly by said City of Nashua land a distance of fifteen and twenty-one hundredths (15.21) feet to a stone bound at land of grantee; thence southerly by land of grantee a distance of sixty and ten hundredths (60.10) feet to a stone bound at land now or formerly of Ellen Haggerty; thence easterly by said Haggerty land a distance of three and thirteen hundredths (3.13) feet to the place of beginning, and containing about five hundred sixty (560) square feet. Meaning and intending a part of the same premises conveyed to the grantor by deed of the National Real Estate Company, dated February 6, 1922, and recorded in Volume 801, Page 544, of the Hillsborough County Registry of Deeds.

That His Honor, Mayor Sullivan, be and hereby is authorized and empowered to execute a warrantee deed for and in behalf of the City of Nashua with The Pennichuck Water Works, a corporation duly established and legally doing business in said Nashua, of the following described parcel of land:

A certain tract or parcel of land situate on the easterly side of Concord Street in said City of Nashua, bound.d and described as follows: Beginning at a point in the easterly line of Concord Street, said point being at the intersection of said easterly line of Concord Street with the westerly line of Concord Street or Daniel Webster Highway as re-located; thence northerly along said easterly line of Concord Street a distance of about three hundred twenty-five (325.00) feet to a point at land of the grantee; thence easterly by land of said grantee a distance of about one hundred ten (110.00) feet to a point in said westerly line of Concord Street or Daniel Webster Highway as re-located; thence southerly along said westerly line of Concord Street as re-located a distance of about three hundred seventy (370.00) feet to the place of beginning. Meaning and intending to describe and convey all that portion of land lying between the easterly line of Concord Street and the westerly line of Concord Street, as re-located, and being a part of the

same premises conveyed to the grantor by Mary B. Bohonan and Lillian M. Singleton by deed dated November 2, 1931, and recorded in Volume 913, Page 284, of the Hillsborough County Registry of Deeds and also a part of the same premises conveyed to said grantor by Harry A. Roberts by deed dated November 27, 1931, same being recorded in Volume 910, Page 102, of said Hillsborough County Registry of Deeds.

Passed June 14, 1932.

Approved June 15, 1932.

Attest:

ARTHUR L. CYR,  
City Clerk.

RESOLUTION  
IN RELATION TO THE COLLECTION OF  
POLL TAXES  
CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred  
and Thirty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua:

That the Collector of Taxes be and hereby is authorized to forward during the month of July 1932, a notice to each and every poll tax payer of the CITY OF NASHUA, notifying each poll tax payer that the poll tax for 1932 must be paid on or before August 1, 1932, and for all poll taxes not paid by said date to charge costs amounting to twenty (20) cents for said notice, the said notice to consist of the publication of this resolution in the newspapers of this city in three separate issues during the month of July, and RESOLVED FURTHER that the Collector of Taxes be and hereby is authorized to proceed to distrain for all poll taxes not paid by the First day of August 1932.

Passed June 14, 1932.

Approved June 15, 1932.

Attest:

ARTHUR L. CYR,  
City Clerk.

---

#### AN ORDINANCE

#### AMENDING CHAPTER 31 OF THE CITY ORDINANCES ON TRAFFIC REGULATIONS

BE IT ORDAINED, By the Board of Aldermen of the City of Nashua:  
That the Chapter 31 of the City Ordinances be amended by striking out of said Chapter as amended on January 28, 1931, Section 2, 3, and 4, and inserting in place thereof the following:

---

## PARKING

### 2. PARKING LIMITATIONS.

(a) No motor vehicle or horse-drawn vehicle shall be stationed or remain for a period exceeding one hour on Wednesdays and Saturdays from 9:00 A. M. to 10:00 P. M. and on any other week-day from 9:00 A. M. to 6:00 P. M. in the following places:

Main Street, from the south end of Main Street Bridge to West Hollis Street.

Main Street, on the west side, from the north end of the Main Street Bridge to the intersection of Amherst Street.

The north side of Franklin Street, between the intersection of Front Street and Locust Street.

The north side of Lake Street, between Pine and Vine Streets.

The south side of Temple Street, between South Street and Scripture Street.

The east side of Charles Street.

Green Street.

Locust Street.

The north side of Winter Street.

Park Street, from Main Street to Court Street.

The south side of Temple Street, from Main Street to Spring Street.

East Pearl Street, from Main Street to Spring Street.

Factory Street, from Main Street to Harrison Street.

High Street, from Main Street to West School Street.

West Pearl Street, from Main Street to Walnut Street.

Garden Street.

(b) No parking whatsoever shall be permitted on the following streets:

North Side of Pearson Avenue.

East side of Mechanic Street.

East side of Front Street.

South side of Winter Street.

North side of Franklin Street, between Main and Front Streets, and between Locust and Charles Streets.

South side of Water Street, from Main Street to Washington Street.

South side of Holman Street.

East side of Tolles Street, from Canal Street to Whitney Street.

West side of Tolles Street, from Whitney Street to Lock Street.

(c) Parking of vehicles all night on any street or highway is prohibited.

## 3. LEFT SIDE OF VEHICLES TO CURB, PROHIBITED. No motor

vehicle or horse-drawn vehicle shall without necessity stop with its left side to the curb on any of the locations where limited parking has been provided by the previous Section 2.

## 4. VEHICLES PARKED AT FORTY-FIVE DEGREE (45) ANGLE.

In the following streets or parts thereof, every motor or horse-drawn vehicle remaining in any one place therein shall be parked at an angle of forty-five (45) degrees, with the right front wheel to the curb, namely:

West side of Main Street, between the established cross-walk at the City Hall and West Hollis Street.

East side of Main Street, from Temple Street to East Hollis Street.

West side of Main Street, from Franklin Street to a driveway between the Whiting Block and H. C. Lintott property at the northerly line of said Whiting Block.

West side of Main Street, between Thayer Court and the intersection of Amherst Street.

All ordinances or parts of ordinances inconsistent herewith are hereby repealed, and this act shall take effect upon its passage.

Passed October 11, 1932.

Not approved or vetoed by Mayor.

Attest:

ARTHUR L. CYR,  
City Clerk.

## Report of the Police Commissioners

---

To His Honor, the Mayor, and Honorable Board of Aldermen of the City of Nashua.

Gentlemen:

Enclosed find detailed report of the number of arrests, disposition of same, incidental service, etc., of the Police Department for the year 1932.

The efficiency of the Department has been kept up to its usual high standard, with a saving of about eleven thousand dollars over 1931.

Our Department is working in harmony and with a fine spirit of loyalty to the City.

We appreciate the fact that there is always some feeling of prejudice against a Police Department, but by continuing the policy we have adopted this past year of a closer contact with you and the Board of Aldermen, we feel we are accomplishing a real service to our City.

Respectfully yours,

(Sd) OTTIS E. MERCER,

(Sd) J. HOWARD GILE,

(Sd) JOHN W. COFFEY,

Police Commissioners.

# Report of the Board of Public Works

---

Nashua, N. H., April 1, 1933

The Honorable Board of Aldermen,  
Nashua, N. H.  
Gentlemen:

The following is a report of the year 1932, of the Board of Public Works.  
The appropriation was as follows:

Regular ..... \$125,000.00

A Special Fund of \$23,717.93 was created by the State of New Hampshire for use on the Dunstable and Runnells Bridge Roads, to give work to the unemployed. The State paid out of this fund for materials used on these roads and leaving a balance of \$21,098.22 spent by the City on labor.

MAIN STREET from Acton Tracks to Worcester Tracks; Removal of tracks, regrading and asphaltting.

Cost, \$5,029.56 6,597 Sq. Yds.

MAIN STREET from Worcester Tracks to Amherst Street; Covering of tracks and resurfacing with asphalt.

Cost, \$8,109.10 17,155 Sq. Yds.

KINSLEY STREET from Main to Pine Street; Removal of tracks, regrading and resurfacing with asphalt.

Cost, \$5,637.48 8,306 Sq. Yds.

KINSLEY STREET from Pine to West Street; Removal of tracks, regrading and resurfacing with asphalt.

Cost, \$6,859.85 10,107 Sq. Yds.

CONCORD STREET from Greeley Park—North; Asphalt Gutters, Shoulders, and Drainage. 242 Feet Pipe and 5 new Catch Basins.

Cos , \$1,746.70—Pd. by State 1,844 Sq. Yds.

RUNNELLS BRIDGE ROAD from West Hollis to R. R. Tracks; Regrading, resurfacing and widening one mile of Roadway 23 feet wide  
Paid by State.

MAIN DUNSTABLE ROAD from Junction of West Hollis Street—South West; Straightening, regrading, widening and draining 3 miles of roadway 21 feet wide.

Paid by State.

## SIDEWALKS

There were 1,380 Sq. Yds. of cement concrete sidewalks constructed in 1932. This equals 0.47 miles, if five feet wide.

## SEWER CONNECTIONS

There were twenty-seven sewer connections built in 1932.

## CATCH BASINS

There were twenty-nine new catch basins constructed in 1932.

## MANHOLES

There were twenty-one new manholes constructed in 1932.

## STATE ROADS

The State of New Hampshire has assumed full cost of maintenance and snow removal on the Daniel Webster, South Side Highway, and Runnells Bridge Road.

The East Dunstable Road is being worked in such condition as to be accepted by the State for full maintenance. There remains to be done one-half mile to be gravelled, and one mile to be treated with tar.

On the Middle Dunstable Road \$12,533.93 of the State allotment was spent straightening, regrading, widening and draining three miles of roadway, twenty-one feet wide. Of this one and one-half mile was resurfaced with gravel, and one mile was tarred. As fast as funds are available this road will be completed, at which time the State will assume full maintenance.

## EXPENDITURES

The following is a list of the expenditures, as they are charged to their accounts.

Bridges and Culverts .....	\$ 382.87
Pensions .....	820.00
Catch Basins .....	960.77
General Repairs and Maintenance .....	28,946.47
Gutters .....	279.36
Snow and Sanding .....	10,621.83
Edgestone .....	478.66
City Waste .....	13,947.40
Trim and Care of Trees .....	532.20
Street Cleaning .....	9,544.77
Repairs to Machinery .....	3,705.77
Tools .....	3,492.55
Supplies .....	9,617.91
Tarring .....	2,655.16
Repairs to Automobiles .....	5,204.25
Tool House .....	3,710.72
Sidewalk .....	1,883.91
Equipment (New) .....	2,260.97
Sewer Construction .....	588.93

Cement .....	654.36	
Asphalt and Gravel Plant .....	4,701.30	
Asphalt .....	9,215.77	
Sewer Maintenance .....	3,188.86	
Sewer Connections .....	632.70	
Clerical Board of Public Works Office .....	2,684.70	
Supplies, Board of Public Works Office .....	178.05	
Salaries, Board of Public Works Office .....	3,900.17	
Clerical, Engineers Office .....	5,392.05	
Supplies, Engineers Office .....	118.05	
Salaries, Engineers Office .....	5,039.63	
Repairs, City Teams .....	963.58	
Supplies, City Teams .....	3,176.60	
Barn .....	1,414.97	
		<hr/>
Total .....		\$167,405.67

 F. A. MacMASTER ,  
 D. R. LALIBERTE,  
 F. T. LEWIS,

Board of Public Works,

# Report of the Zoning Board

Nashua, N. H., February 11, 1933

To his Honor the Mayor and Board of Aldermen,

City of Nashua, N. H.

Gentlemen:

We respectfully submit the following, as the annual report of the Zoning Board of Adjustment, for the year ending December 31, 1932.

The membership and organization of the Board was as follows: Horace E. Osgood, Chairman, Samuel J. Poirier, Clerk, Kostas G. Bouzoukis, William H. Cadwell and James H. Glynn.

During the past year, twenty-three (23) public hearings were held; there were forty-one (41) cases which came before the Board for decision, these being disposed of as follows:

Petitions granted and relief given .....	28
Petitions granted for one year .....	7
Petitions denied .....	3
Petitions withdrawn .....	2
Cases continued .....	1
	<hr/>
	41

A classification of the requests for variations, upon which we acted, is as follows:

Variation of the front yard requirement .....	10
"    "    " rear yard requirement .....	5
"    "    " side yard requirement .....	15
Petition for repair garage in "C" Res. Dist. ....	1
"    " Service station in "C" Res. Dist. ....	2
"    " Service station in "B" Res. Dist. ....	1
"    " Service station in "A" Res. Dist. ....	1
"    " Extension of non-conforming use .....	3
"    " Multiple dwelling in "B" Res. Dist. ....	2
"    " Signboard in Res. Dist. ....	1
"    " Store in Res. Dist. ....	2
"    " Private Athletic field in "A" Res. ....	1
"    " Private Athletic field in "C" Res. ....	1
"    " Removal of junk yard, Industrial Dist. ....	1
"    " Gasoline Pumps in "A" Res. Dist. ....	1
"    " Milk bottling plant, "A" Res. Dist. ....	1
"    " Fuel oil tanks, "C" Res. Dist. ....	1

"	"	Temporary blacksmith shop, Res. Dist. ....	1
"	"	Variation use regulations, Res. Dist. ....	1

As is shown by the above classification, a large percentage of the requests received were for minor variations of the set back requirements and were considered as reasonable requests; however a few of the requests were of a more serious nature, and if granted would have resulted in great injustice to property owners in the immediate neighborhood, further it would have a tendency to destroy the benefits provided by the Zoning Ordinance; namely, the general welfare of the community.

In administering the duties of the Board full consideration of the fact that the petitioners, in order to secure an appropriate improvement of a building or lot of restricted area, size or shape has been given, bearing in mind that such improvement should be in accordance with the general purpose and intent of the ordinance, and substantial justice done.

Respectfully submitted,

HORACE E. OSGOOD,  
JAMES H. GLYNN,  
SAM J. POIRIER,  
KOSTOS G. BOUZOUKIS,  
W. H. CADWELL.

## ENGINEERING DEPARTMENT

---

Nashua, N. H., February 24, 1933.

To his Honor the Mayor and Board of Aldermen,  
City of Nashua, N. H.

Gentlemen:

I respectfully submit to you my report as Administrative Officer of the Zoning Ordinance for the year ending December 31, 1933.

The number of Building Permits issued .....	290
The number of Conforming Certificates issued .....	211
The number of Non-Conforming Certificates issued .....	23

As shown by the following tabulation, some contemplated construction authorized by the above permits was not undertaken, and the following classification of the various types of construction, minus these, represent the new construction for the past year.

	Permits Issued	Not Constructed	New Con- struction
One Family Dwellings .....	41	10	31
Two Family Dwellings .....	2		2
Multiple Dwellings .....	1		1
One Car Garages .....	43	2	41
Two Car Garages .....	19	1	18
Community Garages .....	5		5

Open Porches .....	39	3	36
Closed or Sun Porches .....	13		13
Ornamental fences, etc. ....	21		21
Additions and Alterations			
to Residences .....	28	1	27
Additions and Alterations			
to Private Garages .....	6		6
Private Workshops .....	3		3
Athletic Field .....	1		1
Offices, Stores and Shops .....	7		7
Canopies and Bulkheads .....	2		2
Gasoline Service Stations .....	7		7
Gasoline Pumps .....	1		1
Poultry Houses, Pig Pens, Sheds,			
Roadside Stands etc. ....	62	6	56
Billboards and Signs .....	2		2
Wholesale Gas & Oil Stations .....	2		2
Additions and Alterations			
to Stores .....	7		7
Storehouses .....	10	1	9
Greenhouses .....	1		1
Lairy Barn and Silos .....	1		1

While the number of building permits issued was nearly as many as for the year 1931 the value of the new construction is not as much, there being only one-half as many new dwellings built as compared with the previous year, the total number of new garages, porches, poultry houses etc. were about the same.

The administering of this ordinance has required considerable time; it has involved many meetings with the Zoning Board of Adjustment, much clerical and plan work, also frequent viewings and inspections of the use and location of the structures for which permits were issued. People in general have become more familiar with its requirements and the requests for the major non-conforming things are gradually being reduced. 92 percent of the irregular cases acted upon by the Adjustment Board were either granted in full, or with reasonable conditions applied to them, so that the intent of the petitioner was accomplished, yet the provisions of the ordinance safeguarded.

Respectfully submitted,

FRED L. CLARK,  
Administrative Officer.

## Report of Examination of Plumbers

---

Nashua, N. H., February 6, 1933.

To his Honor the Mayor and Board of Aldermen:

Gentlemen:

The Board for the Examination of Plumbers respectfully submits its report for the year ending December 31, 1932.

The membership of the Board consisted of Dr. Carroll R. Murch, Chairman of the Board of Health, Fred L. Clark, City Engineer and Samuel J. Bingham, a plumber of many years of practical experience, and was organized with Samuel J. Bingham as Chairman and Fred L. Clark as Secretary and Plumbing Inspector. Owing to the untimely death of Dr. Murch the Board lost a most congenial and conscientious co-worker, the vacancy being filled by Dr. Deering G. Smith, the present Chairman of the Board of Health.

Regular monthly meetings have been held the first Monday of every month and written and practical examinations, to determine the fitness of applicants for Plumbing licenses, have been conducted as often as were necessary.

During the year there were forty-eight (48) Master or Employing and sixty-two (62) Journeymen plumbers licensed.

This important ordinance is operating very satisfactorily and assures the property owners of safe and sanitary work without undue expense; it also standardizes the work for plumbing contractors.

The number of buildings in which inspections were made during the past year were two hundred and forty-five (245) and the total number of inspections made was four hundred and fifty-three (453).

Respectfully submitted,

SAMUEL J. BINGHAM, Chairman.

DEERING G. SMITH,

FRED L. CLARK, Chairman,

---

## Report of the City Solicitor for the Year 1932

Nashua, N. H., March 24, 1933

To the Honorable Mayor and Board of Aldermen of the City of Nashua.  
Gentlemen:

I submit the following report for the year ending December 31, 1932.

One of the most outstanding matters involving the Legal Department this year was the petition filed by the City of Nashua relative to the petition of the Standard Oil Company of New York Inc., against the Nashua Street Railway Company, asking that a Receiver be appointed over the Nashua Street Railway Company for the purpose of preserving the property

and assets of the defendant and administering the same. In answer to the petition of the Standard Oil Company of New York, Inc., a receiver was named and appraisers appointed to return an inventory. The Receiver petitioned the Court, because the Nashua Street Railway Company was insolvent, to be allowed to permanently discontinue the operation thereof, dismantle and remove the tracks and other equipment, sell all the property, and then distribute the proceeds among lien holders and other creditors according to their respective rights. The City of Nashua was granted the right to intervene in creditors' proceedings in the Superior Court to help determine what protection could be afforded the City in the dismantling of the roads. It was requested that steps should be taken to assure the proper removal of the tracks and equipment without expense to the City. Final disposition of this matter was not determined during this year and extended into 1933, at the end of which time there will be further to report.

Following the dissolution of the Nashua Street Railway Company, Alfred Richer filed a petition with the Public Service Commission for authority to operate motor vehicles in the common carriage of passengers for hire over certain streets in Nashua; much time was spent in discussion and many conferences were attended by me on behalf of the City.

Trial was had of the case of Francis Boucher against the City of Nashua et al., involving the cutting down of a tree, and was disposed of.

A hearing was had on the petition of the Lincoln Stores, Inc., and Edith G. Wilson for abatement of taxes, and these matters were finally adjusted.

Minor suits against the City were disposed of without Court trial.

Numerous ordinances and resolutions were drawn during the year.

A resolution relative to prepayment of taxes was prepared and passed. This resolution provided for a discount of 6 percent on taxes for prepayment and has proved very satisfactory to the City.

A resolution was drawn providing for a 10 percent reduction of salaries and wages of all City officials and employees, due to general economic conditions, and took effect as of February 1, 1932.

Several resolutions were drawn providing for pensions for City employees.

A resolution was drawn authorizing the Mayor to enter into an agreement with the Connecticut River Power Company to indemnify the City and thereby relieve that Company of the requirement to continue its bond.

Advice was given as to the legality of the Taxicab and Parking Ordinances, and an ordinance was drawn and redrafted several times amending the traffic regulations.

An ordinance was drawn relating to the licensing of amusement enterprises conducted in any building in which inflammable and combustible materials are kept for sale or stored for purpose of sale. This ordinance aroused considerable interest and necessitated several meetings and hearings.

One of the leases drawn in behalf of the City was with the Flather Manufacturing Company for premises to be used for the Manual Arts classes of the High School.

Soucy's Garage, Inc., was evicted from City property at the intersection of Clinton and Lowell Streets and a resolution and lease drawn for the New Hampshire Auto Company to occupy the premises.

Several ordinances, resolutions, leases and deeds were drawn on behalf of the City.

In connection with possible utilization of loans from the U. S. Reconstruction Finance Corporation, under the Emergency Relief and Construction Act of 1932, certain legal questions were involved and an opinion was requested relative to levying and assessing taxes for the construction of sewers in the City of Nashua.

An opinion was requested and rendered with reference to the City's obligation to furnish soldiers aid.

Some difficulty arose over a fence erected in front of the Laton House by the proprietors thereof, and after some discussion, views, and conferences, the matter was satisfactorily settled and the fence removed.

Many collection letters for taxes were written. An unusually large number of proofs of debt of bankrupts was filed this year with the Referee of taxes.

Much time was devoted in attendance at Aldermanic meetings at which explanations of ordinances and resolutions were requested.

Collection letters were sent out and money collected for the Public Library for books not returned. Innumerable opinions, both written and oral, were given to the City Departments and City Officials when requested.

Respectfully submitted,

ROBERT E. EARLEY,

City Solicitor.

# Report of the Fire Commissioners

---

To the Honorable Mayor and Board of Aldermen,  
Gentlemen:

We respectfully submit to you the report of the Fire Department for the year ending December 31, 1932.

The Board of Fire Commissioners, consisting of H. C. Lintott, C. H. Austin and E. W. Dunklee, met January 1st and organized by electing H. C. Lintott as Chairman and E. W. Dunklee as clerk.

Fire Prevention Week, October 9th to 16th was observed by the Department in a fitting manner.

## INSPECTIONS BY THE DEPARTMENT

Officers and Members of the Department have made over (2000) two thousand inspections of buildings, cellars, yards etc., up to the end of the year, to guard against the accumulation of rubbish and inflammable material also to note any condition liable to cause fire.

These inspections are of great benefit to the Citizens and property owners in general. The inspections are also of great value to this Department, allowing the members to familiarize themselves as to the nature of contents and construction of different buildings within their districts.

We think that every effort should be made to lower our insurance rates.

## FIRE ALARM TELEGRAPH SYSTEM

During the year (54) fifty-four of the Fire Alarm boxes have been brought into the Station and cleaned, oiled and rewired so that they are in good condition. Considerable of the overhead wiring must be renewed during the coming year due to its poor condition. Nineteen (19) junction boxes were removed from manholes and test points were established in box standards.

One new fire alarm box was installed during the year and it was placed on Main Street opposite the Good Shepherd Church.

## REPAIRS TO BUILDINGS AND APPARATUS

Each piece of apparatus was either painted or touched up and given a coat of varnish.

The men finished painting the inside of the Central Station which improves it greatly.

They also renewed the floor under the Ambulance and also the rear end of the Aerial Ladder. These places were beginning to sag and the floor was found to be in a very unsafe condition.

The hot water system at the Central Station was very inadequate so a new (200) two hundred gallon tank was installed and connected up to the boiler, and for the summer months a coal heater was connected.

All of the above work was done by the members of the Department.

In conclusion we wish to thank His Honor, the Mayor, the members of the Board of Aldermen, for their co-operation and interest in our Department, to the Board of Public Works, to the Chief of Police, and the members of the Police Department, to the Superintendent and employees of the Water Department, and to the Telephone Company, also to the Public Service Company for valuable services rendered.

The Officers and Members of the Fire Department have our commendation and sincere thanks for the efficient and faithful manner in which they have performed their duties.

Respectfully submitted,

H. C. LINTOTT,  
C. H. AUSTIN,  
E. W. DUNKLEE,

Fire Commissioners.

---

# Report of the Superintendent of Schools

---

To the Board of Education,  
Nashua, N. H.

This is the sixty-sixth in the series of annual reports by superintendents.

The following table shows the enrollment in the public schools over a period of ten years in accordance with the school census:

1923 .....	4,024
1924 .....	4,207
1925 .....	4,263
1926 .....	4,315
1927 .....	4,357
1928 .....	4,334
1929 .....	4,507
1930 .....	4,472
1931 .....	4,494
1932 .....	4,696

Public School attendance for 1932 was 4,696 in comparison to 4,494 for 1931. The enrollment in the Senior High School was 1,467 or an increase of 237 over the preceding year. The Junior High School has 696 pupils, a decrease of 13. The grades and kindergartens registered 2,533, which is a decreased registration of 22 pupils from the 1931 figures. These statistics show that there is a pronounced tendency for pupils to remain longer in school in order to complete a High School course and therefore there is a corresponding increase in registration in the Senior High School while the enrollment of the grades remains approximately the same. This fact has been true over a period of years and can be depended upon to remain the same for the next few years unless increased business activities in our city should serve as a stimulus for new families to come to Nashua.

In line with the policy of economy every possible consolidation has been effected:—The Broad Street Kindergarten has been eliminated. The Gilboa School and the Silver Spring School have been closed.

The teachers who have resigned during the year are:

Ida F. Wallace—retired  
Mabel Rogers—retired  
Mary Dolan—to be married  
John H. Burns—retired

ELECTED:

Susan Crouch

## TRANSFERS:

Mary Shea from Junior High to High School.  
Katherine T. Kennedy, from 4th grade Crowley to 6th grade.  
Rosaleen Roche, from Gilboa School to 4th grade Crowley School,  
Phyllis Snow, from Silver Spring School to the 4th grade at Belvidere School.  
Annie Cullen, from 4th grade Belvidere to the 5th grade and principalship.

## LEAVE OF ABSENCE:

Eda B. Heltt,

## DEATH:

Anne D. Ashe,

## FINANCES

The School Department was granted for the year 1931 an appropriation of \$329,400.00 plus income, in comparison to an appropriation of \$372,000.00 plus an income of \$16,855.83, making a total of \$388,855.83 for 1931. This reduction represented not only a reduction in salaries for school employees but also a reduction in the other items of the budget. It is gratifying to be able to state that the School Department has not only remained within its budget, but refunded to the City an unexpended balance of \$5,049.67. The principal savings have been effected in expenses pertaining to maintenance and repairs, supplies, teachers' salaries, maintenance of domestic arts and manual arts departments. However, this does not mean that the care and repair of school houses have not been maintained, but rather that under present conditions a large amount of work was able to be accomplished at a very low figure. To corroborate this statement, some of the major repairs are as follows:

Completion and equipping the new chemical laboratory at the High School;

The establishment and equipment of the new dental clinic at the Community Council;

New fence at the Lake Street School;

Extension of the fence at the Crowley School;

Interior painting of the Mount Pleasant School;

Exterior painting of the High School;

New lighting system at the Quincy St. School;

Repairing of roofs at the Quincy St. School, Amherst St. School, and Palm St. School.

The per pupil cost of education in the City of Nashua for 1930 and 1931 was \$83.36. The per pupil cost for education for 1931 and 1932 was \$72.28; a reduction of \$11.08 per pupil. In 1930 and 1931 the per pupil cost of High School Instruction in Nashua was \$97.25. The average cost for the State was \$98.93. However, in 1931 and 1932 the per pupil cost of High School Instruction in Nashua was \$86.95. The average cost for the State was \$89.79. In other words in 1931-32 there was a reduction in the

cost of High School Instruction in our city of \$10.30 per pupil. While the cost of Nashua in 1931-32 per pupil was \$86.95, the cost in Concord was \$100.72 and in Manchester \$96.50.

Number unknown .....	5

---

194

At the opening of the fall term programs were arranged for 1507 pupils. The first day 1,402 arrived, the second day the enrollment increased to 1,430 and today it has reached 1,497.

Allowing for more than the average annual drop the senior class of next year will probably be increased by seventy-five, and the school by fifty to one hundred.

#### JUNIOR HIGH

1. Enrollment—February 1, 1933:	
Grade VII .....	355
Grade VIII .....	337
Total .....	692

Number entering Senior High School Sept. 1932 ... 334

Number graduated June 1932 ..... 378

The enrollment of the school remains practically the same as that of the year 1931-32. With one less teacher on the staff this year, the enrollment has been cared for by increasing the class size and teacher load over that of a year ago. However, our teacher load compares very favorably with such standards as are available, such as the teacher load norms for the high schools in the state of Minnesota.

Nashua Junior High School—Median 25.04 load units weekly.

Nashua Junior High School—Maximum 32.0 load units weekly.

State of Minnesota—Median 31.0 load units weekly.

State of Minnesota—Upper Quartile 34.7 load units weekly.

## II. Program of Studies:

The program of studies as given below is, for the first time, this year definitely of the constants with variables type of organization. The program of studies for the seventh grade is made up of constants, i. e., subjects required for all pupils. French and geography as elective subjects were dropped, geography becoming one of the constant subjects. Curricula, such as the classical, commercial, general, etc., were replaced in the eighth grade by a series of constant subjects and electives. The elective subjects are so arranged that pupils can try out, and broaden themselves in the various fields of knowledge. The scope of electives should be broadened as soon as it seems practical to incorporate and organize these subjects as part of our program; for example, children who have special talent or interest in mathematics, art, or music should have further opportunity to broaden and explore these respective fields of learning by enrolling in eighth grade courses in these subjects. I hope that, in the near future, it will be possible to increase the offerings in our elective subjects of the eighth grade

## PROGRAM OF STUDIES

Grade VII	Periods a Week
English .....	5
Mathematics .....	5
General Science .....	4
Geography .....	4
History .....	4
Civics (1 semester) .....	2
Drawing (1 semester) .....	2
Practical Arts .....	4
Grade VIII	Periods a Week
English .....	5
Mathematics .....	5
History .....	4
Civics (1 semester) .....	2

Drawing (1 semester) .....	2
Practical Arts .....	4

## ELECTIVES

Latin .....	4
French .....	4
General Business Training .....	4
Practical Arts .....	4
Geography .....	4
General Science .....	4
(2 electives required)	

In addition to our regular program, we have a special program for pupils who enter the junior high school with such handicaps as language difficulties, deficiencies in previous training, and low mental ability. The program is as follows:

Subject	Periods a Week
English .....	8
Practical Arts .....	8
History and Civics .....	6
Mathematics and General Business Training ..	6
Music .....	1
Drawing .....	2

III. The library has been placed on a definite instructional basis, and now forms an integral part of the school work and program. Library classes for all pupils are scheduled, and definite training given in the use of the library and its facilities. We are indebted to the public library for the splendid help and cooperation that we have received from them.

## IV. GUIDANCE:

1. Classes in vocational civics or occupational information for the seventh grade are taught by a special teacher two periods a week for one semester.

2. One teacher has been assigned seven periods a week to devote to the work in individual counseling and guidance. This teacher also has the responsibility of looking after the relief work which has become an important activity in connection with the school. The following summary indicates the scope of the work of the counselor:

240 pupils interviewed to date by the counselor.

20 pupils receiving free milk.

30 pupils receiving free lunch.

20 pupils were given shoes.

9 families supplied with baskets at Christmas; toys furnished by the various classes to the Good Cheer Society.

12 pupils outfitted with new clothes.

## V. INSTRUCTION:

There has been a constant improvement in the instruction of the school accomplished by a revision of the program of studies previously mentioned, the introduction of new textbooks, teachers' meetings, and the splendid cooperation of the teaching staff. Particular attention should be drawn to the work of the teachers connected with the art department. The work has been radically changed this year, and to date the results accomplished have been an inspiration to the pupils as well as the members of the teaching staff.

VI. A study of the classification cards of all pupils who entered the Junior High School in September from the sixth grade of the public schools reveals the following information relative to the scores made in reading and arithmetic computation:

Range Scores	percent-ile	Score	Grade
Reading			
45 to 109	75	89, 13-9	7.9
Age 9-7 to 16-10	Median	80, 12-6	6.7
Grade 3.8 to 10	25	72.5, 11-9	5.9
Arithmetic			
55 to 109	75	102.5, 15-11	10
Age 10-4 to 16-10	Median	92.5, 14-6	8.5
Grade 4.4 to 10	25	82.5, 12-10	7.1

## HOME ECONOMICS

The following synopsis shows how the work in Domestic Arts has been adapted to meet present conditions:

In September, the Mayor of Nashua appointed a woman's sub-committee of Unemployment Relief to work with the Home Economics Department of the Nashua Schools in a campaign for canning surplus food for needy families. Through the cooperation of farmers, grocers and housewives of the city, the department was able to turn over to the Relief Committee 1,005 jars of canned goods.

In November, the Senior Home Organization classes, the freshman clothing classes and the seventh grade clothing classes dropped all scheduled work and spent three weeks making clothing to distribute to Nashua's needy children. Cloth for all garments was furnished by the Red Cross and materials necessary for finishing were bought with money contributed by the High School teachers. One hundred and thirty (130) garments were completed. From the left over pieces of outing flannel the Junior High Practical Arts girls have made 150 pairs of infants' booties.

After the completion of the Red Cross work the freshman clothing classes devoted two weeks to the making of inexpensive Christmas gifts. In addition to making gifts for their own families, the girls voluntarily made 36 stuffed oilcloth toys and several garments for the Community Council to distribute to children.

The Home Economics Club girls and the Junior and Senior Home Economics girls sent out 6 baskets of food at Thanksgiving, and at Christmas supplied six families with baskets which contained not only a supply of food, but gifts and clothing for the children of each family. The girls furnished the entire contents of each basket.

### MANUAL ARTS

The present enrollment in Manual Arts is as follows:

Senior High School		
Seniors .....	24	
Juniors .....	53	
Sophomores .....	65	
Freshmen .....	104	
	<hr/>	
Total .....	246	246
Junior High School		
First Year .....	168	
Second Year .....	184	
	<hr/>	
Total .....	352	352
	<hr/>	
Total .....	598	

Owing to crowded conditions the Manual Arts Department is doing the greater part of its work in the Flather building. Practically all of the moving and remodeling was done by the students at a minimum expense.

The drawing room in the Spring Street School building will accommodate thirty-six students without crowding. Everything is in one room including toilet and wash basin. The room is well lighted both natural and artificial and can be easily ventilated. We are now handling the entire Senior High School in this room. It is being used approximately ten periods a day. I consider this one of the best drawing rooms in the State.

Our present cabinet and pattern making shops will take care of thirty-two students in a class, or one hundred sixty boys a day.

Frequently it is said that it would be advisable to omit the teaching of Manual Training, due to present financial conditions. This statement is usually made without any knowledge of the facts or of the costs in connection with this department. During the past few years the maintenance cost has been reduced practically 50 per cent and at the present time is operating on an exceedingly economical basis. It must be remembered that if Manual Training were eliminated that it would be necessary to substitute other classes in other subjects with other teachers with additional expense for the purchase of new text books and supplies. True it is that there might be a small saving in the difference between the salaries paid to these men

and beginning teachers in the other subjects which supplanted Manual Training.

Salaries for Manual Training for 1932 were (for 7 men)	\$14,475.00
Maintenance for 1932 .....	2,288.20

Total .....	\$16,763.20
-------------	-------------

Dividing this \$16,763.20 by 598 pupils gives you a per pupil cost of \$28.03.

Reasoning that Manual Training ought to be discontinued is fallacious in that Manual Training is thought of as a separate branch of the school curriculum. Actually Manual Training is a subject in the High School curriculum the same as chemistry, physics, etc., and actually the per pupil cost of Manual Training as a subject in the past years has not been as high as such subjects as chemistry and physics, yet no one would think of suggesting that these subjects should be dropped from the curriculum.

#### ART

The election of art in the Senior High School has increased to such an extent that it was found necessary to separate junior and senior classes and allow Miss Gertrude Jacques to devote practically all of her time to high school instruction. The type of work being done in these classes has brought many favorable comments from people who are able to judge the merits of such work. The work in these classes is closely correlated with the activities of the school. All illustrations and designs for the Tattler, all posters and advertising for the athletics and social functions are produced by these classes.

Two exhibits were held in Nashua: One at the Nashaway Woman's Club and the other at the Nashua Public Library. Material was sent to the Springfield Fair in the fall which, according to decisions, compared very favorably with the work done in other schools in this state.

Report on the Status of the Art work in Grades I—VIII inclusive:—

A. The Art course has been reorganized in three ways.

I. The nature and scope has been adapted to the mental and physical development of the child, and stresses "child activity."

II. Supervisory meetings for the teaching corps have been initiated, wherein future work is discussed, conditions and accomplishments reviewed, and short talks are delivered on the principles and teaching of art.

III. By staggering the grade school time periods, the circuit is covered in two (2) weeks, as against four (4) formerly required, and an additional morning, three (3) weekly, in place of two (2), is obtained for the Junior High School.

B.—Consequences of the Reorganization.

I. To the School System

A new interest, understanding, and appreciation of the value of the subject has been developed.

## II. To the Teaching Staff.

Initiative, self-reliance and good judgment are required and teachers who formerly felt inadequately equipped to present the subject are "getting results" by applying the principle of "child activity."

## III. To the Pupils.

By relating the work to the child's interests and experiences, the possibilities of art in every-day life are being developed, and the children have an opportunity to express themselves within the range of their capacities and abilities.

# MUSIC

The Junior High courses in singing and music appreciation have been carried on in accordance with a definite course of study. The seventh year course reviewing the theory of the previous year and developing the advanced work of this grade.

The eighth grade continues from the previous year's work in preparation for the Senior High chorus work and appreciation of music.

Development of sight singing with good tone is an essential part of the work. Individual talent is recognized and developed. Music plays an important part in each assembly.

The Junior High orchestra has rehearsed weekly and much excellent talent has been discovered.

The high school choral group (elective) with the exception of the freshmen, have had their weekly classes in choral singing. The work has been the development of four part singing and experience in interpreting the best choral literature chosen from repertoire used in the current practice of high schools throughout the country.

Pupils of outstanding vocal talent have been given opportunity to further it in solo and group singing.

A fine group of boys have been an important factor in the choral class. The chorus and orchestra gave an interesting concert in the spring. Singing and orchestral work has been an important part of each weekly assembly.

The high school orchestra is composed of a fine group of young people who are enthusiastic about their work, responding to all extra rehearsals cheerfully and contributing with their talents to all worthy and approved community and civic activities.

The work in Music in the grades has been conducted as in previous years. Special work was done for Memorial Day and Christmas. At a school concert in February, a chorus of one hundred boy sopranos presented several selections. These boys were chosen from the fourth, fifth and sixth grades.

## SYNOPSIS OF HEALTH REPORT

R. J. JOYCE, M. D.

S. G. DAVIS, M. D.

School Physicians.

ANNIE PETERSON, R. N.

KATHLEEN HAY, R. N.

School Nurses

Following is a statistical report of the health work done in the Public Schools as reported to the State Department of Education.

For School Year 1931-32

Number examined: Pupils, 4087, Teachers, 127, Janitors, 17, Other Employees, 1; Number pupils not examined: At parent's written request, None, Not present, None; Communicable diseases: Number pupils excluded, 131, Number days schools required to be closed, 9.

## RECORD OF ANNUAL EXAMINATION AND FOLLOW-UP WORK

DEFECTS	At Time of This Examination		Since Last Report	
	affected	reported	treated	cor'c'd
Underweight (10 per cent) .....	339	339		85
Defective Vision .....	294	294		112

Respectfully submitted,

JOHN R. SPRING,

Secretary.

# Report of the Public Library

---

To the Trustees of the Nashua Public Library:

Nashua, N. H.

The annual report of the Public Library for the year ending December 31, 1932 is herewith submitted.

The demand for books and service in the Public Library during the year 1932 has been greater than ever before. "Maximum service at minimum cost" has been the slogan all over the country. Librarians are facing real problems in meeting these increased demands on limited and reduced budgets.

Permit me to quote from a late number of the American Library Association Bulletin. "Libraries were created by our democratic society in order that every citizen might have throughout life the means of self education. "More people used libraries, more books were borrowed from libraries and more books were used in library reading rooms in 1932 than ever before. Sample reports from 33 cities representing only one tenth of the total population of the United States, show that the number of books borrowed from their libraries in 1932 was 81,663,423 an increase of 37 per cent since 1929."

The Librarian of the Los Angeles Public Library says, "Never in all its history has the Public Library meant more to the community than during the twelve months just closed. The circulation of books for home use increased by more than a million volumes."

In the small town of Hollis, numbering only 879 inhabitants, the Librarian reports a circulation of 10,251, or 11.66 books per capita. This is an increase of 2,002 during a three year period with the library open a part of two days each week. It makes no difference whether the town or city be large or small, the same story of increased demand holds true and every librarian is doing his or her best to meet the wonderful opportunity for service during this period of more idle time and less money.

However, in the meantime, it is very important that the public should realize that patience must be exercised when books are not available, immediately, either because of increased patronage or lack of necessary funds. We are indeed more fortunate than many cities and towns where no books have been purchased over a long period of time because no funds are available.

Not only have our citizens used the library for recreational reading, lightening burdens in the face of unemployment and discouragement, but many have used their extra time for study and self-improvement. The

spirit in which service has been rendered, in spite of a 10 per cent cut in salaries is very commendable. 100 per cent cooperation has been given by each member of the staff.

Circulation statistics show, in a large measure, what has been accomplished during the year. 216,211 is the total number of books and magazines circulated, which is an increase of 24,411 over 1931, or 11.2 per cent. With the addition of 8,071 non-fiction given out for study in the reading room, makes the grand total of 224,282. Considering the size of the city we feel gratified with the amount of service given.

The adult department at the main library circulated 145,031 volumes, a gain of 24,309. The children's department shows a circulation of 52,731, a loss of 566. This is accounted for, largely, because of the Thursday afternoon and evening closings. The mild fall and winter weather, also, has been instrumental in keeping the boys and girls in the air and sunshine.

The Crown Hill library has a splendid showing of 18,447, a gain of 658. 15,000 is a fine year's work under such crowded conditions and I am quite amazed with the success this small library achieves from year to year. Surely it fills a real need on the Hill which could not be handled at the main library in addition to the present circulation.

The average daily circulation in all departments was 713, a gain of 80. The largest month at the main library was 13,668, a gain of 1,857 and the largest day, 957, a gain of 99. The largest day in the children's department was 430 and at Crown Hill, 129. 25 per cent of the entire circulation in all departments was non-fiction and the circulation per capita, 6.87.

The foreign circulation of 6,539 was an increase of 947. 2,012 books were added during the year—102 were gifts, 1,867 purchased and 43 by binding magazines, etc. 109 of these were foreign additions.

1,056 were discarded which includes 300 titles crossed off the accession books as the result of inventory taken over a number of years in the children's department. The total additions less discards makes a small increase of 956 volumes, or, approximately, 48,046 volumes in the library December 31, 1932.

New borrowers in the adult department numbered 989. 290 reregistered after a five year period making a total of 1,279. New borrowers in the children's department, 681, reregistrations, 124, with a total of 805. Grand total of active borrowers in all departments, 9,989.

The reading rooms have been crowded many afternoons and every evening which has necessitated much supervision to keep them reasonably quiet. Edward R. Hartwell, a special police officer, was engaged in November for three evenings a week which has relieved conditions considerably.

One change in the staff has occurred. Mildred Peterson, a faithful and efficient assistant for three years left in September for a year's library course at Simmons. Ida L. Putnam, who had had some experience in the children's room for two years, with occasional substituting in the adult department was engaged for the remainder of the year. She attended the

Library Summer School in July which was held in New Haven under the auspices of the Connecticut Library Commission and gained much in the different phases of library work.

A room was made available in the city property on Clinton Street, during the latter part of the year for storage purposes. Shelving has been added to many a nook and corner in the main library and still the crowded conditions continue.

Funds were available in December for cleaning and redecorating the walls of the Trustees' room, charging and work rooms, also the staff room in the basement which was much appreciated. The work was well done by the Salvail Bros. for a very reasonable sum.

The Children's Librarian has continued her work with the schools, giving book talks before the different grades, also instructing sixth grade pupils at the library in the use of the card catalog, encyclopedias and the decimal classification. The total attendance at the story hours was 309.

An interesting flower contest was conducted in June and July in this department and at Crown Hill and met with great enthusiasm on the part of each participant. Twelve children brought in over 100 varieties and the prize winners over 200.

In connection with Book Week, Mrs. Harry Gregg kindly loaned her collection of Indian curios which were used to decorate the staff room, where many attractive books were displayed.

Since November 1932 marked the 100th anniversary of the birth of Louisa May Alcott, the beloved author, a special feature during Book Week was the presentation of three scenes from the book, "Little Women." These were given on two evenings in the children's room and again on Tuesday afternoon of the next week at Crown Hill for the Arlington Street school. Each performance was ably given and much credit is due Miss Manning for the training and especially for the interesting costumes which she was able to borrow.

The closing event of the year was the Christmas story hour. The room was decorated, attractively with a fire-place and a Christmas tree around which stories were told and carols sung.

In the passing of Leonard F. Burbank in July, the library has lost a valued friend and helper. At one time he was a member of the State Board of Library Trustees thus acquainting himself with many libraries and their problems all over the state and in many parts of New England.

His firm belief that every library should have a picture collection made available for circulation like books and magazines caused him to give his services in the selecting and mounting nearly 4000 pictures. This collection has proved its worth many times and we hope there will be ways and means to continue its growth each year.

His skill as an artist, his interest and wide acquaintance in the art world, made him anxious to bring before the people of Nashua an opportunity of seeing and appreciating the work of prominent artists, particularly those

in New England. Receiving the support of the Trustees and Librarian, the first art exhibition was held at the library in November 1927. A remarkable response has grown out of his efforts all over the city and only a few months have passed up to the present time without some exhibition of interest and worth. His helpfulness and friendly counsel is missed but he has left a permanent memorial in creating a finer educational and cultural atmosphere, not only in the Public Library but throughout the city.

It is a great pleasure to express my appreciation to the members of the staff who have responded so generously to the heavy demands made upon them during the year.

I thank the library friends for the many fine gifts of books, magazines and newspapers and wish it were possible to print the name of each generous person.

Grateful acknowledgment is due the Telegraph Publishing Co., for their generosity and good will in printing book lists, notices of art exhibitions and other publicity, and my hearty appreciation is extended to the members of the Board of Trustees for their continued interest and loyal support.

CLARA E. SMITH,

Librarian.

# Report of the Board of Health

1932

---

To his Honor the Mayor, and the Board of Aldermen.

The Board of health herewith submits its report for the year 1932.

It is with regret that we report that our chairman, Dr. Carroll R. Murch died early in the year. Dr. Murch had served as a member of the Board of Health for over two years, and was chairman for only two months when he was taken from us. He was an upright young man, and a good executive who was greatly interested in health matters. In his untimely passing not only did this board lose an efficient chairman, but the City of Nashua lost an excellent physician.

Dr. Deering G. Smith was elected his successor, and he and the other members of the board have attempted to maintain the efficiency of the department, and at the same time to effect all possible economies. It is with pleasure that we report that a substantial part of our appropriations was unexpended, and turned back to the city treasury.

The city was fortunate in not having any epidemic of contagious disease, and the number of contagious disease cases as well as the number of deaths remains small.

The physical examination of all employees of health plants and of all distributors of milk was continued. The farms and dairies were closely supervised, and in several instances marked improvement in equipment and methods was effected.

The collection of the city garbage by a private contractor was again discussed and it was deemed inadvisable at this time to change the present satisfactory method of collection. We recommend, however, that the collection of garbage be taken over by the board of public works and be combined by it with the collection of the rest of the refuse of the city.

This board cooperated with the board of public works in a clean up week. Increased activity was noticed on the part of property owners and tenants, so that the appearance of the city was generally improved.

During the year the usual vaccination of school children was carried on, and it can be reported that the school children of the city are practically one hundred percent vaccinated against small pox.

The tuberculosis and venereal disease clinics continue their excellent work, and in this they have had the cooperation of this board.

Our employees did an excellent piece of work in renovating the laboratory in the city hall. The equipment there is old and undoubtedly will have to be replaced soon. In fact, during this last year the hot water heater got beyond repair and we had to purchase a new one.

Our clerk, nurses, inspectors and garbage collectors continued their very efficient work, and we wish to thank them for their cooperation.

We append a list of the causes of the deaths occurring in Nashua, and also the reports of the heads of our departments.

Respectfully submitted,

DEERING G. SMITH, M. D.

P. J. McLAUGHLIN, M. D.

ROMUALD P. LETENDRE

## Report of the Health Inspector

Nashua, N. H., March 1, 1933

To the Board of Health,  
Nashua, N. H.

Gentlemen:

I hereby submit the following report as Health Inspector of the City of Nashua from January 1st, 1932 to January 1st, 1933:

Houses Inspected .....	18
Plumbing and drainage inspection .....	62
Privy and vault inspections .....	14
Yard and Alley inspections .....	198
Barber Shops inspected .....	51
Restaurants inspected .....	56
Bakeries and bakery wagons inspected .....	14
Food Stores inspected .....	203
Candy factories inspected .....	12
Complaints investigated .....	74
Dumps inspected and ordered abated .....	9
Water sent to Concord for analysis .....	10
Nuisances ordered abated .....	21
Common Drinking Cups ordered abated .....	1
Lying-in-hospitals inspected .....	2
Infant Asylums inspected .....	2
Bakeries found unsanitary .....	2
Ice Cream Plants inspected .....	6
Ice sent to Concord for analysis .....	1
Boarding House inspected .....	9
Fish Markets inspected .....	6

During the year I attended to the various duties of Health Inspector and assisted the Milk and Meat Inspectors in every way possible.

With the assistance of the Milk Inspector and the Board of Public Works we conducted a Clean-up Campaign throughout the City during the month of April, 1932, with the most satisfactory results. Each year an improvement is very noticeable. The merchants lend their aid and the general public seem to have more pride each year. Conditions are a hundred per cent better than they were a few years ago.

Many complaints are received at the Board of Health office, and are investigated by me, that really belong to the Board of Public Works' Department instead of to us.

The inspection of stores has been carried on regularly with the cooperation of Mr. J. X. Duval, Food Inspector for the State. The results have been very good. Special attention has been given to some of the larger stores as necessity demanded. I paid special attention to milk bottles coming into these stores to be filled with molasses and kerosene.

Together with the Meat Inspector, Mr. Alden Wright we have inspected the markets to see that the meats are properly stamped and the ice chests sanitary.

I have had the utmost cooperation at all times from the Board of Health as well as the entire staff and have always tried to render assistance to them whenever the occasion arose.

I tender my thanks and appreciation to the Board and all the employees for their courtesies during the past year.

Respectfully submitted,

THOMAS F. CULLEN

# Report of Milk Inspector

April 1st, 1933

To the Nashua Board of Health,  
Nashua, N. H.  
Gentlemen:

I respectfully submit to you the following report as Milk Inspector of the City of Nashua from January 1st, 1932 to January 1st, 1933.

## EXAMINATION OF MILK

	Satisfactory	Unsatisfactory	Total
Bacteria Tests			
Milk Producers .....	653	37	690
Bacteria Tests			
Milk Dealers .....	474	85	559
Butter Fat Tests .....	350	11	361
I rejected 725 quarts of milk because it was not properly cooled.			
Farm Inspections .....			190
Plant Inspections .....			173
Stores Licensed .....			161
Dealers Licensed, fee required .....			24
Dealers Licensed, no fee required .....			5
96 Milk Handlers health certificates were issued.			

This year health certificates were required of all employees of dairies and of all distributors who handled milk or milk utensils, showing such persons to be free from any communicable disease. This was a state requirement.

The milk testing laboratory was painted by the employees of the Board of Health at a very small expense to the city.

A conviction was obtained from the court in a case of misbranding of milk.

Improvement in quality of milk received by the dealers was noticeable this year due to the co-operation of the farmers. There is also much improvement in equipment to handle milk both on the farm and in the city milk plants. Five new pasteurizers were installed, all but one being replacements. A new state law required all milk coolers to be covered which facilitates the proper handling of milk.

All milk sold in this city is now capped by mechanical bottle cappers which is much more sanitary than capping by hand.

Respectfully submitted,

ALBERT E. SMITH,

Milk Inspector.

# Report of the Board of Health Nurses

---

Nashua, N. H., April 1st, 1933.

To the Nashua Board of Health,

Nashua, N. H.

Gentlemen:

We respectfully submit the following report, as Board of Health Nurses:

The following contagious cases were reported:

Scarlet Fever .....	35
Suspected Scarlet Fever .....	2
Diphtheria .....	4
Chicken Pox .....	26
Measles .....	5
Mumps .....	4
Whooping Cough .....	2
Quarantine Established .....	43
Isolated .....	34

We investigated several cases that were not reported, and also cases of what appeared to be mumps in mild epidemic form.

During the year routine fumigation was abolished; but 29 fumigations were made.

Two families were given aid during quarantine.

227 Parochial School children were vaccinated.

44 Children were vaccinated at St. Joseph Orphanage.

Miss Morin made routine weekly inspection for communicable diseases, and skin infections in the four French Parochial Schools, namely; Saint Aloysius, Saint Francis Xavier, Infant Jesus and Sacred Heart College.

A general examination at the beginning of the school year showed:—

Children examined .....	2115
Measured and weighed .....	2115
Eye tests given .....	1320
Defective vision .....	79
(Wear glasses 23)	
Eye defects .....	27
(Wear glasses 12)	
Defective teeth .....	139
Unvaccinated .....	55
Underweight .....	356
Intelligence below normal .....	4
Orthopedic defects .....	10

Cleft palate .....	2
Eczema .....	3

During the year 69 pupils were excluded from these schools because of communicable diseases; and 182 home visits were made.

Communicable diseases detected were as follows:

Impetigo .....	150
Scabies .....	19
Pediculosis .....	49
Chicken Pox .....	3
Mumps .....	1
Measles .....	5
Diphtheria .....	2
Whooping Cough .....	6

Mrs. Winn had charge of the work in the Sacred Heart School and reports the following work done:

Children examined .....	427
Eye defects .....	4
Measured and weighed .....	427
Underweight .....	68
Large tonsils .....	24
Pupils Excluded .....	5

Communicable diseases detected:

Impetigo .....	4
Pediculosis .....	20
Chicken Pox .....	1
Scarlet Fever .....	5
Suspected Scarlet Fever .....	2

At the present time less than a score of children in the Parochial Schools are not vaccinated, and these were exempted by their family physicians, or had submitted to the process of vaccination three times unsuccessfully.

Respectfully submitted,

CLARA L. MORIN, R. N.

KATHERYN WINN, R. N.

# Report of Meat Inspector

April 1, 1933.

To the Nashua Board of Health,  
Nashua, N. H.

Gentlemen:

I respectfully submit to you the following report as Meat Inspector of the City of Nashua from January 1st, 1932 to January 1st, 1933.

The following animals were inspected and slaughtered.

## CONDEMNED

	Cows	Calves	Lambs	Hogs	Cows	Calves	Lambs	Hogs
January .....	26	67	179	82	4	3	0	5
February .....	17	96	152	13	2	2	0	1
March .....	14	99	162	20	0	4	0	2
April .....	20	102	254	3	0	5	0	4
May .....	17	103	177	3	1	8	0	0
June .....	13	107	156	0	0	7	0	0
July .....	20	103	186	1	1	8	0	0
August .....	16	132	177	4	1	6	0	0
September .....	23	97	194	10	3	6	0	1

December .....	28	74	117	45	2	2	0	5
Total .....	239	1150	2083	334	17	62	0	29

Conditions in the markets and slaughter houses are fairly satisfactory.

The offerings for slaughter are of about the usual standard. Very few diseased cattle are now to be found, due to tuberculosis.

The retail markets are in good condition, with very few exceptions. The use of mechanical refrigeration which is being installed more every year, is a great help in keeping the products of the markets in a sanitary condition.

I have had the fullest cooperation of all members of the Board of Health during the past year, for which I wish to extend my thanks at this time.

Have had the advise and cooperation of Dr. Harold Lewis as in the past, for which I appreciate.

Respectfully submitted,

ALDEN L. WRIGHT,

Meat Inspector.

# Report of the City Physician

1932

---

April 1, 1933.

To his Honor, the Mayor, and Board of Aldermen of the

City of Nashua:

Gentlemen:

The following is a brief summary of medical and surgical services rendered to the needy under the care of the city of Nashua. I wish to thank the Mayor and Board of Aldermen for their kind consideration and just recognition of the increasing demands made upon this department of public service.

Office Visits .....	1186
House Calls .....	567
Hospital Visits for Individuals .....	720
Police Examination, Police Visits, and Insane Commitments ....	75
<hr/>	
Total Professional Visits .....	2550

Respectfully submitted,

DR. E. J. FRASER, M. D.,  
City Physician.

# Nashua Hospital Association

## Report of Executive Committee

---

My report for the year 1932 will be brief. In common with all other hospitals, the Nashua Memorial Hospital has suffered as the result of the depression, though perhaps not as badly as most of them, due I think to the large number of patients for whom we have cared in proportion to our capacity, and to the efficiency of our collecting department.

We have had the usual amount of repair work to do, the latter including the purchasing of kitchen utensils, sterilizers, furniture, mattresses, new awnings, screens and various other things.

Necessarily, the amount of charity work that we have done has been very large, in actual figures it would amount to \$8,645.40. Employees and others treated without charge, including city employees injured while on duty, \$1,217.45, giving a total of \$9,862.85. Translated into the number of patients that would be classed as charity patients, the hospital receiving nothing for their care—276. People whom the hospital feels naturally obligated and should care for because they are hospital employees or city employees injured while on duty—52.

The morale of those serving in the institution, in executive positions, student nurses, laboratory and office employees, and all others working for the hospital has been excellent. The past year has been a very comfortable one for the executive committee. There have been fewer institutional annoyances, big and little, than during any year that I have been Chairman of the Executive Committee. The superintendent and supervisors voluntarily accepted what was practically a 10 per cent cut in their salaries, and we have endeavored in other ways to effect all economies that seem possible, consistent with rendering good service.

### LABORATORY WORK FOR THE YEAR 1932

Respectfully submitted,

CHARLES E. JOHNSON,

Treasurer.

Nashua, N. H., January 17, 1933

To The Members of the Nashua Hospital Association:

This is to certify that we have examined the books of the Treasurer, both the operating and investment accounts, and find the same properly cast and the balances on hand as per Treasurer's annual report for 1932.

The Securities have been inspected and we find same in hand as per schedule in Treasurer's annual report. The securities are safely kept in a Safe Deposit Box in Second National Bank.

Respectfully,  
HERBERT E. KENDALL,  
EDWIN S. GAGE,

Auditors.

# Report of the Park Commission

---

February 1, 1933.

To His Honor, the Mayor and Board of Aldermen:

During the past year the Park Commission, owing to the greatly reduced appropriation, let two of our men go, so that we might keep going without asking for more money.

A lot of work, that should have been taken care of, had to lay over until such time that the necessary tools and men could attend them.

The Park Commission are in hope that a slightly greater appropriation may be given that will, at least, pay for our regular men, now at work.

The Financial Report for the year 1932.

R. W. BUNDY, Chairman,

F. X. TARDIF,

F. J. FINNING, Clerk.

# Report of the Superintendent of Parks

---

To the Board of Park Commissioners:

Gentlemen:—

Owing to our much reduced appropriation for the year 1932, it was necessary to reduce our working force to five men where previously we had seven full time and one part time worker. Therefore, little could be done except maintenance work. The lawns were mowed, flowers and nursery cultivated, and leaves raked in the fall as usual. During the winter the browntail and gipsy moths removed, our equipment repaired and painted, and all underbrush mowed in the wooded sections, making all parts of the park accessible to the public. Because of the mild weather during the winter we were able to draw filling and loam to fill an ugly looking hole between the drive and lily pond at the west end of Greeley Park. In the spring this was graded and seeded. We also graded and seeded each side of the new walk northwest of the rest house and put in a planting of perennials. The grass plot between the sidewalk and street, destroyed by the construction of the state highway, had to be replaced. This extra work was accomplished without additional help, only because the severe drought checked the growth of the grass so that very little lawn mowing was necessary.

As our trees were in very good condition we omitted all spraying for this year, but I do not consider it advisable to continue to omit the spraying.

Some of our flower beds were discontinued and the locations seeded to grass while others were filled with much cheaper quality plants which, while not as satisfactory, still made an attractive display at a much reduced cost.

As to tools and equipment we spent almost nothing, patching and repairing old wornout tools rather than expend money for new. However, we can not continue to do this but will have to get some new equipment this coming season.

Realizing the need for strict economy we have tried only to maintain our grounds and equipment in their present state without allowing deterioration.

Respectfully submitted,

WM. R. KIRKPATRICK,

Superintendent of Parks.

## Report of the Recreation Commission

---

Weather conditions made it impossible to have a great deal of skating. What little there was was taken advantage of by large numbers of people.

Tennis courts, especially those on the South Common, were used to the limit from early Spring until late Fall.

The Swimming Pool was open as usual from the first of July until Labor Day and was well patronized. There was some shortage of water, but not sufficient to be greatly disturbing.

The six playgrounds were kept open six weeks instead of eight weeks as in former years. Other than the shortening of this part of the work, there was very little change from the regular schedule.

Respectfully submitted,

CHARLES H. BABBITT, Chairman,  
ARCHIBALD CHENEY, Secretary,  
HELEN B. UNDERHILL,  
OSCAR FLATHER,  
J. M. LEVESQUE,

Recreation Commission.

# Report of Trustees of Woodlawn Cemetery

---

To His Honor the Mayor and Board of Aldermen:—

Gentlemen:—

The Board of Trustees of Woodlawn Cemetery submit the following as their Annual Report for the year ending December 31, 1932.

## GROUND AND BUILDINGS

The Grounds and Buildings of Woodlawn Cemetery were never in a finer or more perfect condition than at the close of the year 1932. There has been much work done resurfacing various avenues and all frame buildings in the cemetery have received two coats of paint both inside and out. The Iron Fence on the Hollis Street side has received two coats of black paint as well as that at the Shedd Memorial Entrance on the Kinsley Street side.

124 feet of 8 in. and 50 feet of 5 in. sewer pipe has been laid and the sewerage of the cemetery is in good condition.

## INTERMENTS DURING THE YEAR 1932

Resident, Adults .....	40
Out of Town, Adults .....	45
Resident, Children .....	9
Out of Town, Children .....	2
Total .....	96
Soldiers buried, Civil War .....	1
Soldiers buried, World War .....	1
Services in Woodlawn Chapel .....	18
Cash received from Greenhouse Sales .....	\$808.69
Value of Flowers and Plants used in Perpetual Care .....	473.00
Value of Plants for beautifying the grounds .....	800.00
	<hr/>
	\$2,081.69
